

**SILICONI
COMMERCIALE SPA**

Crossways Vertical Solutions Private Limited

**60
YEARS**

Production Since 1957

WELDING PRODUCTS

Production

30.000 m²

Research & development

MORE THAN 150 TYPE OF AEROSOLS

PRODUCTION 60,000 CANS PER DAY

ANTITEK®

ANTISPATTER SPRAY

- Silicone free
- Water Based
- NOT FLAMMABLE
- CHLORINATED FREE
- High antispatter power

GREEN

500 ml

DISTAC WELD

ANTISPATTER SPRAY

- Silicone free
- NOT HARMFUL
- It does not smoke
- Easy to remove
- Biodegradable

GREEN

400 ml

SUPER STAK

ANTISPATTER SPRAY

- Silicone free
- NOT FLAMMABLE
- It does not smoke
- Easy to remove

400 gr

PROTECT 700

LIQUID ANTISPATTER

- Water soluble
- NOT FLAMMABLE
- SILICONE FREE

GREEN

5 - 25 - 50 - 200 Kg

PROTECT 800

LIQUID ANTISPATTER

- Water soluble
- NOT FLAMMABLE
- SILICONE FREE

GREEN

5 - 25 - 50 - 200 Kg

PASTA WELDING

ANTISPATTER PASTE

- Silicone free
- NOT FLAMMABLE
- For torches

300 gr - box 12 pcs
300 gr - box 43 pcs

MOLISIL

ANTISPATTER SPRAY

- Disulfide of molybdenum based
- Silicone free
- Dark film
- Suitable for torches
- 700°C

500 ml

CERAMSTAK

CERAMIC BASED ANTISPATTER

- High performance
- Specific for torches
- It lasts for many hours
- It resists up to 1500°C
- Suitable for torches

500 ml

REF 400

COOLING LIQUID

- For welding machines
- Protective

5 - 25 lt

Quality & Innovation

ZINCOSIL 400

ZINC SPRAY

- High quality
- High protection
- Overpaintable
- It does not drip
- Fast dry
- Elastic film

400/500 ml

ZINCO 98

DARK ZINC SPRAY

- High concentration of
- Zinc powder,
- High quality
- High protection
- Overpaintable
- It does not drip
- Fast dry
- Elastic film

400 ml

ALUSIL

ALUMINIUM SPRAY

- High protection
- Overpaintable
- Fast dry
- Shining colour
- It does not drip

400 ml

INOXSIL

STAINLESS STEEL SPRAY

- High Protection
- Overpaintable
- It does not drip
- Fast dry

400 ml

PK

MULTIUSE SPRAY

- Antirust, Protective
- Degreaser
- Water repellent
- Lubricant
- Contact cleaner
- Penetrating Oil

400 ml

ROCUT

CUTTING OIL SPRAY

- High quality
- Biodegradable
- Washable with water
- For drilling, cutting, turning-mill

400 ml

ROCUT 200

CUTTING OIL

- Water soluble
- Biodegradable
- For drilling, cutting, turning-mill

5/25/50/200 lt

SPECIAL LUBE

GREASE SPRAY

- With PTFE and Silicone
- Resistant to 260°C
- Resistant to high pressure
- For gears, chains and mechanism

400 ml

SUPER BALL

GAS LEAK DETECTOR

- It detects micro leaks
- Easy to use
- Biodegradable

500 ml

PENTRIX 100

RED PENETRANT SPRAY

- It penetrates into difficult points.
- It detects the welding cracks

400 ml

RIVELEX 200

WHITE DETECTOR SPRAY

- Rapid to use due to the quick evaporation
- It detects the welding cracks
- To be used in combination with Pentrix 100

400 ml

METACLEAN

MULTIUSE DEGREASER

- For metals it melts oil, grease, encrustations, tar, glue, etc...
- Rapid evaporation
- It does not leave oily residues

400 ml
